

True Crime Library

A book group at the Palmer Branch for true crime fans!

Next Meetings:

Thursday, October 18 @ 6:00pm : *The Blooding* by Joseph Wambaugh

A look into the first time DNA fingerprinting was used to solve a case.

Thursday, November 15 : Open discussion

Tell us all about the case that first interested you in the true crime genre! Feel free to share books, documentaries, movies, podcasts, etc. that feature the case!
