

## CHANGE IS COMING!

The Easton Area Public Library is switching to a new catalog system called **SPARK!**

### Two important changes to note:

1. If you use the Reading History feature in the current online catalog, unfortunately this list will not transfer over to the new system. Please print out your list by October 2 if you would like to have a copy for your records.
2. Currently overdue fines are posted to your account when an overdue item is returned. With SPARK, fines will POST TO YOUR ACCOUNT DAILY as long as an item remains overdue. This means that you could reach the \$10 threshold limit sooner, thus affecting your library privileges.
